1   Time

Reflecting the time each team member has worked per sprint. Time is based on task in the ZenHub board. Team members are responsible for updating their own task if the number of points was different than predicated during one of the planning sessions.

Sprint Number	Christiaan	Raphaël	Nino	Martijn
Sprint 1	26 points	25 points	22 points	69 points
Sprint 2	33 points	36 points	50 points	179 points
Sprint 3	20 points	21 points	42 points	102 points
Sprint 4	TBD	TBD	TBD	TBD
